

Potens IT Services - Remote Work Policy

1. Eligibility

Eligible employees may work remotely up to three (3) days per week with written manager approval documented in the HR system.

Roles with client-site obligations may be limited to one (1) remote day per week.

2. Security and availability

Remote work requires a dedicated secure workspace, company-approved VPN, and full-disk encryption on company-managed devices.

Core collaboration hours are 10:00 AM to 4:00 PM IST on working days. Employees must remain reachable on approved channels during these hours.

3. Meetings and equipment

Employees working remotely must attend monthly in-person team meetings at the assigned office unless exempted by the program lead.

Equipment provided by Potens remains company property and must be returned within five (5) business days of employment end.
